IT'S SIMPLE... IT'S EASY... NO STRINGS ATTACHED...

Your business can help support the NJ Police Officer Foundation at **no cost to you**. That's right, your contribution is **absolutely free**.

Simply say, "YES" and allow us to place our attractive clothing donation bin at your location. It's as easy as 1, 2, 3.

1. **We place the donation bin.**
2. **We maintain the donation bin.**
3. **We empty the donation bin.**

Best of all, you are helping to remove unwanted textiles that are clogging our nation's landfills, and at the same time helping a worthy cause.

DONATION BIN

HERE IS HOW IT WORKS...

We are asking all retail stores and landlords like yourself for permission to place an unmanned donation bin on a small portion of your property in a very visible, yet non-obtrusive area. The general public will quickly notice the highly visible donation bin advertising the name and mission statement of the NJ Police Officer Foundation.

People will come to your business to deposit their donated items into the bin, comforted by the knowledge that their charitable contribution is helping a worthy cause. Your business will reap the rewards of new customers and additional business traffic.

An annual fee for the used clothing and shoes collected in the bin will be donated directly to the NJ Police Officer Foundation.

Please help us support the NJ Police Officer Foundation cause. Together, we can help make a difference.

For additional information, please contact us at (800)-IAPSNJ-1.

Information filed with the Attorney General concerning this charitable solicitation may be obtained from the Attorney General of the State of New Jersey by calling (973) 504-6215. Registration with the Attorney General does not imply endorsement.

HOW CAN YOU BENEFIT?

Look at the many ways that your business can benefit:

- **More customers!** People who never before knew about your business will notice our donation bin and pull onto your property to drop off their donations. Your profits and business, in turn, can only increase!
- **Goodwill!** You will receive the good feelings and heartfelt thanks of people for helping a charity that is making such a difference in the lives of people in our New Jersey Communities.
- **Free publicity!** Each month we publicly thank your business for graciously permitting us to place a donation bin on your property. The public will recognize and associate you and your company as being a giving, cooperative, and caring place of business.
